OFFICE ORDER

Dated: 9th October 2025

It is hereby informed that in continuation of the efforts towards implementing the **Manipur Energy Conservation Building Code (MECBC) Rules 2025**, draft MECBC Rules 2025 has been prepared and is ready for submission.

Before final submission for notification in the **State Gazette**, the following steps are to be undertaken:

1. The draft MECBC Rules 2025 shall be shared for **review with all relevant stakeholder departments** for their comments and suggestions.
2. The draft shall be uploaded on the **MSPDCL website** and the **SDA Manipur website**, making it accessible to the public.
3. Stakeholders and the public are invited to provide their **comments/suggestions**, which will be considered before finalizing the draft for official submission.

All concerned officers and officials are requested to ensure that the draft is made available for review and public comments at the earliest, and to coordinate with the IT department for timely uploading on the respective websites.

This office order shall come into effect immediately
