A. Comments on Profitability

1. Purchase of Power – Rs. 620.94 Crore

CIN: U40101MN2013SGC008343

DIRECTORS' REPORT FOR THE YEAR 2020-21

The power purchase bills are booked in the same year as they are incurred. However, some bills which are supplementary in nature and could not be ascertained on the Balance Sheet date are booked on the date/ period of receipt as there is no means to identify and record them as on the balance sheet date. The date of bill 03.08.2021 itself suggests that it was unascertainable as of 31st March 2021.

Revenue from operation (Note 15)**Billing for deposit works Rs. 5.29 crore**

2. Billing of Deposit Works pertain to the amount received from various organisations against electrical works to be done for them. MSPDCL raised demand and accordingly the client deposits money for the work. On receipt of money, MSPDCL issued TAX invoice as per GST law for the same and upon the issue of invoice, the amount is treated as sale i.e., Revenue from Operations and corresponding expenditures as and when incurred are treated as expenses against deposit works. Disclosure of such amount is made by clearly segregating Deposit work revenue from the sale of electricity. Also, refer to point number 11(d) Revenue recognition in Note 1 Accounting Policy which clearly suggest that the company recognizes revenue to the extent billed during a period.

B. Comments on Financial Position**Power Finance Corporation: Rs. 322.75 Crore**

1. The amount was booked under the wrong head in the year due to the wrong ledger. However, the same has been noted and shall be rectified in upcoming financial statements.

3. The amount of Rs. 4.48 Crore pertains to deposits taken over by the Company during FY 2013-14 from the erstwhile Electricity Department, Govt. of Manipur, as a part of the Manipur Electricity Reforms Transfer Scheme. In the absence of any documents writing of any such amount may cause financial loss to the Company. However, the Company has taken up actions to identify the relevant documents to ascertain the fate of the amount so recorded.
4. The amount was booked under the wrong head in the year due to the wrong ledger. However, the same has been noted and shall be rectified in upcoming financial statements.

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA
UNDER SECTION 143(6) (b) OF THE COMPANIES ACT, 2013 ON THE
FINANCIAL STATEMENTS OF MANIPUR STATE POWER DISTRIBUTION
COMPANY LIMITED FOR THE YEAR ENDED 31 MARCH 2021.**

The preparation of Financial Statements of **Manipur State Power Distribution Company Limited** (Company) for the year ended **31 March 2021** in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the Management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under section 139 (5) of the Act are responsible for expressing an opinion on the Financial Statements under section 143 of the Act based on independent audit in accordance with the auditing standards prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated **8 September 2021**.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the Financial Statements of **Manipur State Power Distribution Company Limited** for the year ended **31 March 2021** under section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under section 143(6)(b) of the Act which have come to my attention and which, in my view, are necessary for enabling a better understanding of the Financial Statements and the related audit report.

A. Comments on Profitability

Statement of Profit and Loss

Expenses

Purchase of Power: ₹ 620.94 crore

1. This is understated by ₹ 22.03 crore due to non-provisioning towards power purchase bills (current year: ₹ 3.86 crore; prior periods: ₹ 18.17 crore) raised by Central Transmission Utility of India Limited (May 2021) and North Eastern Electric Power Corporation Limited (August 2021) before approval (September 2021) of the Annual Accounts for 2020-21. This has correspondingly resulted in understatement of 'Current Liabilities (trade Payables)' and 'Loss for the year' to the same extent.

Income

Revenue from operation (Note 15)

Billing for deposit works: ₹ 5.29 crore

3. As per the Generally Accepted Accounting Principles (GAAP), the 'advances' received against 'Deposit Works' should be recognised as 'current liabilities' and the corresponding expenses incurred on these works should be adjusted against these 'advances'. On completion of the works, total such 'advances' should be settled against the actual construction cost (including service charges earned by the Company) and the 'service charges' so earned on execution of these works should be recognised as 'Income' in the Profit and Loss Account.

On the contrary, the Company booked the 'advances' received against 'Deposit Works' as its 'Income' under 'Billing for deposit works' in the year of receipt and also charged the 'expenditure' relating to these works in the Profit and Loss Account in the year of spending. During the year 2020-21, the Company received 'advances against Deposit Works' amounting to ₹ 5.29 crore and booked as its Income in Profit and Loss Account instead of 'Current Liabilities'. Similarly, the Company during the year spent ₹ 0.62 crore on execution of these works and charged the same to Revenue instead of adjusting against the 'Deposit Works advances'. This has resulted in understatement of 'Current Liabilities-advances against Deposit Works' and 'Loss for the year' by ₹ 4.67 crore (net) each.

B. Comments on Financial Position

Balance Sheet

Equity and Liabilities

Non-Current Liabilities

Long Term Borrowings (Note-4)

Power Finance Corporation: ₹ 322.75 crore

1. This is overstated by ₹ 84.69 crore due to wrong grouping of 'Capital Grants' released (February 2017/February 2019) by Power Finance Corporation Limited (PFC) during prior periods for implementation of a centrally sponsored scheme namely, Restructured Accelerated Power Development and Reforms Programme (subsumed in Integrated Power Development Scheme) under 'Long Term Borrowings'. This has correspondingly resulted in understatement of 'Other Current Liabilities-Balance Grants (Capital) (Note-8)' to the same extent.

Long Term Borrowings (Note-4)

Rural Electrification Corporation (RGGVY): ₹ 9.40 crore

2. This is understated by ₹ 7.49 crore due to incorrect classification of the Long Term Loans availed (current year: ₹ 0.82 crore; previous years: ₹ 6.67 crore) from Rural Electrification Corporation Limited for implementation of a centrally sponsored scheme (Rajiv Gandhi Grameen Vidyutikaran Yojana) as 'Capital Grants'. This has correspondingly resulted in overstatement of 'Other Current Liabilities-Balance Grants (Capital) (Note-8)' to the same extent.

Assets

Current Assets

Short Term Loans & Advances (Note-13)

Advances towards Capital Goods

Deposits: ₹ 4.48 crore

3. This represents the 'Deposits' kept under the Treasury by the Electricity Department, Government of Manipur, which were taken over by the Company during the year 2013-14 under Manipur Electricity Reports Transfer Scheme as part of the Power Sector Reforms. The Company has been carrying forward the said 'Deposits' since the year 2013-14 without complete details and supporting documents to ensure the recoverability of these Deposits, which is against the Accounting Principle of Conservatism.

Short Term Loans & Advances (Note-13): ₹ 53.96 crore

4. This is overstated by ₹ 0.80 lakh due to inclusion of Annual Maintenance Contract (AMC) charges paid for the year 2020-21 towards maintenance of Data Centre and Disaster Recovery Centre established under APDRP project, which should have been charged to Revenue in the Profit and Loss Account. This has correspondingly resulted in understatement of 'Loss for the year' to the same extent.

Non-Current Assets
Fixed Assets (Note-9)
Tangible Assets,
Buildings

Addition during the year: ₹ 9.27 crore

5. This is understated by ₹ 2.09 crore due to non-accounting of Capital Expenditure incurred on construction of different office Buildings of the Company during the year 2020-21. This has correspondingly resulted in understatement of 'Current Liabilities' to the same extent.

C. Comments on Auditors' Report

1. The Statutory Auditors in their report (*refer paragraph (g) (i) under the heading 'Report on Other Legal and Regularity Requirements'*) stated that the Company did not have any pending litigation which would impact its financial position. However, the Company had 'contingent liabilities (to the extent not provided for)' amounting to ₹ 8.89 crore against pending court cases as disclosed in Note 24. Hence, the Report of the Auditors was deficient to that extent.

To
The Members of
MANIPUR STATE POWER DISTRIBUTION COMPANY LIMITED

Qualified Opinion

We have audited the accompanying Standalone Financial Statements of MANIPUR STATE POWER DISTRIBUTION COMPANY LIMITED ("the Company"), which comprise the Balance sheet as at March 31, 2021, and the Statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effect of the matter describe in the basis for qualified opinion section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its Loss and cash flows for the year ended on that date.

Basis for Qualified opinion

- A. The Govt of Manipur released grant in aid of Rs 25781.74 lakh distinctly indicating Rs 6524.73 lakh for Manipur State Power Company Limited (MSPCL) for the purpose of meeting staff salary and maintenance & Operation expenses Rs 19257.01 lakh for Manipur Power Distribution Company Limited for the purpose of meeting staff salary and maintenance & Operation expenses and power purchase. However the company has recognised the total amount of grant of Rs 25781.74 lakh as their income instead of Rs 19257.01 lakh. The company transferred to MSPCL the grant of Rs 6524.73 lakh as per terms of sanction orders. However, the amount of grant so remitted has been treated by the company as power transmission charges and included in the power purchase expenditure. There is no tariff transmission rate agreement between the two companies and hence no billing has been raised by MSPCL also. The company- MSPDCL as a grantee entity has no authority to change the term and purpose

specified in the sanction orders of Govt. of Manipur. Thus the expenditure under the head 'Purchase of Power' of Rs 62093.91 lakh has been overstated by Rs 6524.73 lakh. Further the Other income – Govt Grant with explanation under Note No. 26 also has been overstated by the same amount of Rs 6524.73 lakh. Though the remittance to MSPCL does not arise from any business transaction but has been reflected wrongly under Note No. 21 – Related Party transaction as 'transmission charge'.

- B. The revenue on power distribution (sales) of Rs. 40625.48 lakh under Note No. 15 is on the basis of billing for the period as consolidated in CMTR statement at corporate office. However it is observed that the uniform date of billing cycle is not maintained in any Division as well as consumer wise data not available. As a results the overlapping of cycle is inevitable. Thus true revenue for a period has not been reflected. The company has not introduced cost records and thus has no effective mechanism to establish the linkage of the quantity of power distribution to the Revenue. Hence we are not in position to ascertain the truthfulness of the revenue as well as debtors. To ensure a true picture of revenue it requires to introduce an effective internal control measure.
- C. Trade Receivables and provision for doubtful debt Segregation of trade receivables (Note no. 11) between 'more than six months' and 'others' is on ad-hoc assumption that 80% collection of revenue is related to the period October 2020 to March 2021 and is considered as current period billing and the balance towards realisation of arrears. Such segregation should have been done on ageing status of receivables. Thus the actual position of trade receivable has not been reflected in the financial statement.
- D. Provision for doubtful debts Though huge amount of doubt debt has been taken over from the erstwhile Electricity Department, Govt of Manipur provision for bad debt has not been made in the accounts. There is no record to identify the realisation of the past receivables.
- E. Provision of interest on security deposit of consumer The Joint Electricity Regulatory Commission for Manipur and Mizoram (Electricity Code) Regulations, 2013 requires that interest on security deposit of consumer has to be provided at the base rate of State Bank of India prevailing on 1st April of the financial year 2020-21 i.e. 8.15% pa. The interest on such security deposit has not been

provided in the accounts and as such liability and net loss of the year are understated to the extent of accrued amount of interest.

- F. The other current liabilities (Note 8) payable to Micro and Small Enterprises, if any, have not been ascertained and disclosed separately. In absence of the required information the interest provision has not been made in the accounts.
- G. The provision for retirement benefits – Gratuity and Leave encashment (on basis of actuarial valuation) has not been made in the accounts. Thus the company has not complied with AS-15. Further the company has not made provision for EPF liability for the contractual staff whose services are continuously engaged by the company.
- H. The company does not hold clear title deeds of land purchased in 2014-15. The 1st land under patta No. 17/154,440(old) 248/880 (new), CS Dag No.3069/3425 measuring 0.2509 hect at 17- Chaobok Tahsil Liliong, purchased for Rs 12.00 lakh on 17.6.2014 is registered in the name of the Department of Power, Government of Manipur. Thus the value of land under Note 9 has been wrongly reflected. For the 2nd land under patta No 798/913(new) Dag No. 1582/1632 measuring 1.0 at Keirao Langdum purchased for Rs 7.00 lakh the company holds "DEED OF AGREEMENT" only. But the final SALE DEED duly registered could not be produced to us for verification.

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless

management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a

material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure "B" to the Independent Auditor's Report

(Referred to in paragraph 2 (f) under 'Report on other legal and regulatory requirements' section of our report to the Members of **MANIPUR STATE POWER DISTRIBUTION COMPANY LIMITED** of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub - section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **MANIPUR STATE POWER DISTRIBUTION COMPANY LIMITED** ("the Company") as at March 31, 2021, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
